JURNAL BIKOTETIK (Bimbingan dan Konseling: Teori dan Praktik)

Vol. 09 No. 2, 26 November 2025

Jurnal BIKOTETIK (Bimbingan dan Konseling: Teori dan Praktik) published twice a year in May and November. This journal contains scientific writings about psychology and education in guidance and counseling in school and outside school settings. The articles published can be the results of research and thoughts that discuss an issue based on a review of the latest literature.
