

**MATHEMATICS, INFORMATICS, SCIENCE, AND EDUCATION
INTERNATIONAL CONFERENCE (MISEIC) 2019**

September 28th, 2019, Surabaya, Indonesia

Organized by: Universitas Negeri Surabaya

REFERENCE LETTER

Dear Editor of **JPPS (Jurnal Penelitian Pendidikan Sains)**

We would like to confirm that the manuscript entitled

**"Effectiveness of Multi-Representational Based Inquiry Learning Model
to Train Critical Thinking Skills In Physics Lesson"**

has been presented in the conference **"Mathematics, Informatics,
Science, and Education International Conference (MISEIC 2019)"** on
September 28, 2019 in Surabaya, Indonesia. In terms of its contents,
the manuscript has undergone careful review from the reviewers.
According to the reviewers' comments, we found that the manuscript
will be potential as one of the articles published in your journal in
the next issue.

In doing so, we have informed the authors to register and submit the
revised manuscripts alongside with the document outlined comments to
your journal.

We thank you for your cooperation.

Your Sincerely,

A'yunin Sofro, Ph.D

MISEIC 2019 Chairperson
